

Prayer Guide

Please join us in praying for the following requests.

- Join us in thanking the Lord that a young, immigrant client has decided to keep her pregnancy. We requested prayer for her last month! Please pray that she and her mother can find the necessary means to pay for their living expenses and find healing from the physical abuse they endured in their country of origin.
- Please pray for a client who went through our STD testing services. She is now in the follow-up coaching sessions to continue processing her sexual health.
- Please pray for a client who is grieving her past abortion of twins. The decision was made in a hurry, and she is expressing regret and despair.
- Pray for those in our city who are immigrants. Pray that those who have relocated to Denver and are in need of our services will seek us out and know we are a safe place for care.
- Pray for a pregnant client who recently decided to parent and not proceed with an abortion. The heartbeat during the ultrasound was so powerful for her. Pray for the father of the baby who continues to pressure her to have an abortion.
- Please pray for A Promising Future as the team transitions. Pray that God would continue to guide, direct, and provide for the program.
- Praise God for a successful parent workshop at Flatirons Church. Pray that the parents who attended will want to engage further with the whole-person health of their students.
- Pray that the Lord protects all of our advertising and leads us to the people who need Alternatives.
- Please pray that the community will support Alternatives summer carnival on June 10. Pray that the local community will purchase tickets and participate in this family event that honors women and men and the preborn.
- Pray for the strength and protection of the staff, board and volunteers of Alternatives.
